

OUR LIBERTY UNDER GOD

CONSTITUTION ORIENTED PATRIOTIC BLOG

Left Center Right

“And Moses built an altar and called the name of it, The LORD Is My Banner,”

Exodus 17:15

Do these labels describe us?

- Liberal, Moderate, Conservative -
- Left Wing, Center, Right Wing -
- Communist, Socialist/Moderate, Fascist -

NO!!!

This teeter-totter approach to political philosophy is a clever guise deliberately used to fool the people into thinking there is only one alternative to dictatorship: “Moderation” in a *false* “Center”.

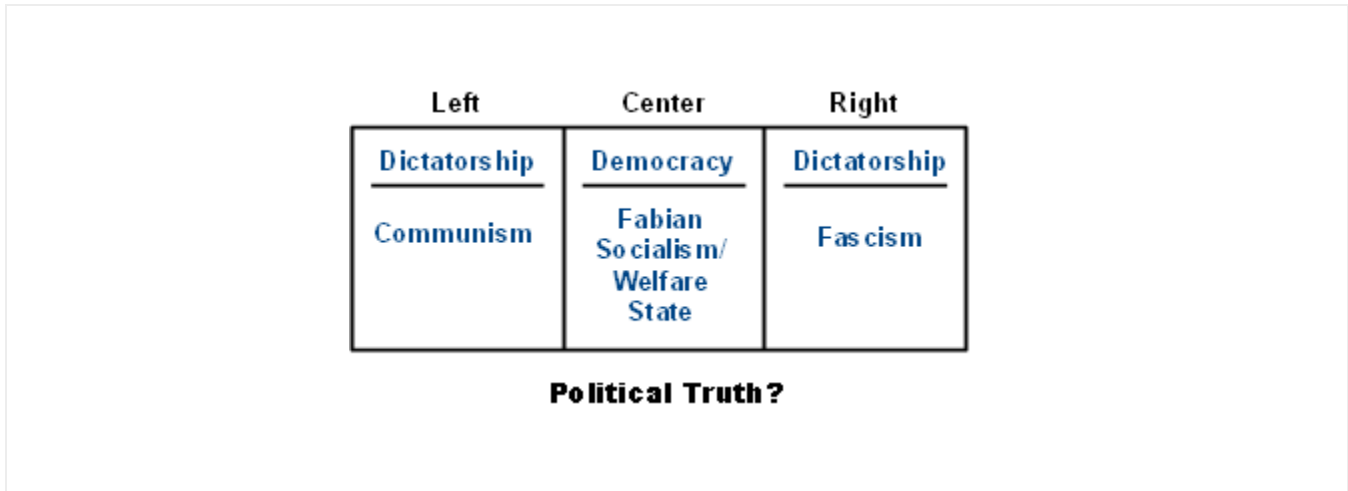

The approach formulated in G. W. Friedrich Hegel’s** dialectic thinking is a deception designed to control nations. Ultimately, to control the world:

COMMUNISM		SOCIALISM		CAPITALISM
=	>	=	<	=
THESIS		SYNTHESIS		ANTI-THESIS

The theory claims to pit the “thesis” and the “anti-thesis” at odds until the conflict must result in a “synthesis” of the two: A world government based upon socialism operating in a *crony* capitalist economic system. Theoretically, that is. It requires strict CONTROL to *force* the elements of the society into an artificial “synthesis” by demoralization and destabilization. America is in the throes of such upheaval.

In reality, political structures are not confined within such restrictive form. The above theory should be called, “The Road to National Suicide,” or, “Transforming a Free Nation to Tyranny!”

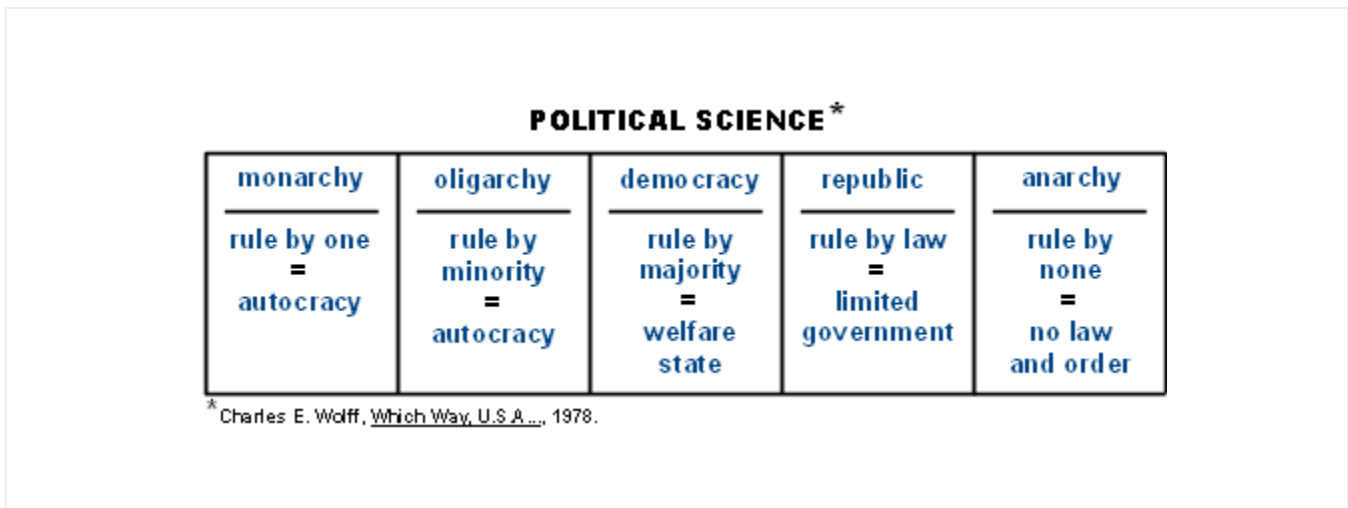

The common use of this ploy as taught to "We the People", is:

We are told that any choice other than Democracy is Dictatorship.

We are being deliberately brainwashed to believe that the United States of America is a "Democracy!"

THE TRUE MATRIX:

What is the difference between the first three and a Republic or Anarchy? The first three are Dictatorships!

Monarchy = dictatorship by one person. However, it usually functions as an oligarchy.

Oligarchy = dictatorship by a minority (or by a few).

Democracy = dictatorship by a majority, also known as the Logical Fallacy of Appeal to the People.

[Substitute three words: Dictatorship of the Proletariat – suddenly you have the rallying cry of the Bolshevik Revolution! In reality, the government imposed upon the duped masses was an oligarchy. Further, the Ancient Greeks thought even Anarchy preferable to true Democracy! (**This DOESN'T mean I advocate Anarchy!!!**)]

Republic = rule by law, with government limited by that law; definitely not dictatorship as long as the law is not perverted.

Specifically represented by Our *Unique American Republic*.

Anarchy = rule by none; not a dictatorship, but, it cannot last long in real practice due to Man's Nature of banding together for mutual protection. Tyranny quickly ends it! Perfect example: the "Road Warrior" movie series!

So, how do we know immediately that America is not a Democracy?

In a Democracy, EVERY CITIZEN votes on EVERY ISSUE.

The only control over the excesses of uninformed or immoral citizens is, the Majority must **RULE** with an Iron Fist. **INDIVIDUAL RIGHTS** are trampled at will, simply through validation by **Majority Vote! Enforced by "Law Enforcers", NOT "Peace Officers"!**

In practical application, if the Majority are Purple and the Minority Orange, the "Purples" can vote to annihilate all the "Oranges" and the Law Enforcers are legally obligated to carry out the Extermination Law...

~

Our Republic is a representative government strictly constrained by Laws specifically designed to afford "**We the Sovereign People**" **CONTROL** over a **LIMITED** government required under the Law, to **PROTECT** the **RIGHTS** of the **INDIVIDUAL!** This form of protection extends to,

"...guarantee to every State in this Union a Republican Form of Government, and shall protect each of them against Invasion;..." U.S. Constitution, Article IV, Section 4.

Those who proclaim LIBERTY and remind us of Truth, are falsely labeled Right Wing and/or Fascist. Those who call us to rescue our "Freedom to EXERCISE God-given Liberty" – as guaranteed by the original intent of our Constitution – are advocates for revival and restoration of our **REPUBLICAN Form of Governance** from the perverted Monstrosity – Welfare Statism/Fabian Socialism – headed to-

ward Marxism. Which is being imposed by elected officials, bureaucrats, and their Private Sector Fellow-Travellers, all of whom mock and demonize “[We the Sovereign People!](#)”

These subversives call their changeling, “democracy”, to fool the populace. If the people are duped to believe *they* are running the Nation, the oligarchs can readily manipulate them with “bread and circuses”. In America’s Reality, the subverters still pretend to work within our Republican “FORM,” while they increasingly impose tyrannical changes. Effectively, *fundamentally transforming America* into a COLLECTIVIST state! ([More on collectivism, below.](#))

The leaders know that real democracy can only be practiced in a very small community, so they are not worried about the masses catching-on and spoiling their plans. They simply follow the dictates of Karl Marx and Frederick Engels’ 1848 Communist Manifesto, calling for the spread of democracy to win support from the masses.

[[The Order of the Illuminati](#), under the name, “League of Just Men”, began to pursue Marx, Engels and their Communist League, to join them in 1844. They did so, in 1847. Marx and Engels, in December, 1847, wrote a new manifesto presenting the latest consensus on the means to enforce Communist World Government. Completed at the turn-of-the-year, it became known as the “1848 Communist Manifesto.” On, League of Just Men, see: <http://www.globalsecurity.org/military/world/europe/league-of-just-men.htm>

[An oligarchy at best, or a monarchy at worst:](#) this is the goal as the Nation is led down the path to Martial Law, Police State and World Dictatorship.

The goal is reached through the promise of redistributed wealth; the only way to achieve their goal and keep the Masses on their side. By the time the definition of “wealth” is reduced to Zero - with no more “wealth” to redistribute:

Chains of Absolute Tyranny are forged.

The Nation is shackled in the Nightmare of a New Dark Age.

[OLIGARCHY IN THE FORM OF “COLLECTIVISM”](#), is the political philosophy preached by Communists, Marxists, and Socialists of any kind, including, “Progressives.” I do not here use the term, “Liberals,” because, *many Patriotic Americans who call themselves, “Liberal”, MAY BE POLITICAL Collectivists,*

but, THEY ARE NOT PHILOSOPHICAL Collectivists! These Patriotic Americans are appalled when they realize just what Collectivist Progressives truly seek as they work to,

Fundamentally Transform America!!!

Collectivist Progressives believe Our Nation, Under God, is flawed at its core: The Constitution of the United States of America, based in the Common Law – founded in The Ten Commandments of The Holy Bible, because it *strictly limits* government to

PROTECT WE THE SOVEREIGN PEOPLE AS INDIVIDUALS!!!

They want to finish transforming Our Free America by seizing the property of producers until there is no more of it to loot. They will not admit that, “redistribution of wealth” does nothing to benefit **“We the Sovereign People,”** as a Nation of Free Individuals!

In the immoral “taking” of another’s property, their methods take property from those who produce, and give it to those who do not. Legalized or not, it is Theft! The Collectivist Maxim conceived in, and nurtured by, Evil says it clearly: **“From Each according to his ability; to Each according to his need.”**

[In Liberty, inheritance belongs to whomever the rightful owner chooses!]

Over time, the producers no longer produce because they have no incentive, and the looters no longer receive when there is no voluntary production. They run out of “other people’s money.” A true chasm then exists between the rulers and the serfs.

The world plunges into a new Master/Slave Dark Age:

“You and I have a rendezvous with destiny. We’ll preserve for our children this, the last best hope of man on earth, or we’ll sentence them to take the last step into a thousand years of darkness.”
Ronald Reagan, “A Time for Choosing,” 1964.

Property Rights are the core of God-given Liberty!!!

“Wealth” is property.

“Property. That which is peculiar or proper to any person; that which belongs exclusively to one. In the strict legal sense, an aggregate of rights which are guaranteed and protected by the government.... The term is said to extend to every species of valuable right and interest....” ***Black’s Law***

Dictionary, Henry Campbell Black, M. A., Sixth Edition, p.1216, 1990.

Collectivist Tyranny loots, feeds-on and destroys private property at the point of the governmental gun! Pervert and destroy the RIGHT TO PROPERTY, and:

WE, AS THE NATION, FALL!!!
